Protect From Fire ^{UL}

Our Fire Damper provides 2-3 hours of UL-certified fire resistance. At 165°F, the door drops, blocking fire.

Easy Concrete Install

Our high-strength PVC bucks make installation in poured concrete walls easy. Shipped assembled ready to install.

WORKS WITH 520
 1540-526

Sealing Kit

Finishes & seals interior spaces while still letting debris & water flow during a flood.

Trim + Sleeve

Fits into a rough opening to provide a clean, finished look on interior walls.

Make Installs A Breeze
